Key Steps to Completing ECU birth kindergarten Initial Licensure at KU:

1. Possess a baccalaureate degree with a minimum of 2.75 GPA. Note international students who have received a degree from a non-US school will have to have their undergraduate degree reviewed by an approved provider. Please contact your advisor early in the program to check on having this done.
Degree/GPA Met: [Undergrad Degree Date]
2. Complete KU's approved ECU program licensure program (including 7 courses and 2 field experiences- excludes EPSY 715 & SPED 898 Masters Project as these are for Masters degree) with minimum B for each. Note that B- does not count. Courses are transferred/substituted from another university must at least a B.
Min B: [Anticipated Completion Date]
3. Passing Score on KU-ECU-KPTP, which must be completed as a part of a supervised field experience. Note that all students, even those with a current Kansas initial teaching license in another area, beginning their program Su 2016 or forward must complete the KPTP – this is a change from prior requirements.
Pass KPTP: [Anticipated KPTP Semester]
4. Pass the required PRAXIS series. For information regarding Kansas Licensure, go to <https://www.ets.org/praxis/ks/requirements/>. This website has the information on required licensure exams and application instructions. For ECU license the two standardized licensure exams should be taken approximately 3-6 months before you have finished all courses and student teaching experiences.
Semester Taking Praxis Tests: [Anticipated Praxis Date]
5. Submit appropriate licensure form and fees (this does include a background check) Again, for information regarding Kansas Licensure, go to <http://soe.ku.edu/licensure/> .
